

"LOOKING 'EM OVER"

With Mike Callas Jr.
Coliseum Jottings

BOOBS

Tomorrow night the Dodgers take on the Pittsburgh Pirates for the first time this year. The only ball club they haven't tangled with at home or away. Whenever the steel men come to town there's always a group of gay blades seated behind first base who's primary motive for coming is to heckle Pirate first baseman, Dick Stuart. They do it for kicks and because the ex-Hollywood Star is so sensitive. Last year Stuart told this corner that he wished he'd play second whenever his team came to the Coliseum. The "why" was obvious but I asked anyway and got the following growling reply: "so I wouldn't be able to hear those boobs up there."

GOLF CHAMP

Earlier last week the Dodgers entertained the Reds from Cincinnati and on hand to jest with his ole team mates was Don Newcombe. The tall righthander asked little Maury Wills who was the present Dodger golf champ. Little Maury stood on his toes and faced "Newk" with the proudest smile and answered, "I am!" Big Don maneuvered his eye balls down and quipped: "that's because I'm no longer with the club!"

NOT JACKIE

Branch Rickey was the first prexy to introduce colored baseball players to major league play with the signing of Jackie Robinson to a Brooklyn contract. Since then many colored stars have adorned the diamonds. Most all first and so called "inequality" secondly. Not so with Frank Robinson of the Reds. The "chip" he carries is bigger than the Civil War. His arrogance with sports writers and others about him takes the equal out of the game that has done so much in eliminating prejudice.

"SAY HEY"

After the Giants had defeated the Dodgers 6-3 a week ago the "say hey" kid, Willie Mays was asked to appear on Vince Skully's scoreboard broadcast by radio commentator Jerry Doggett. Willie, realizing that McCovey had done all the damage to the Dodgers was quick to answer: "what for?" just in time for a Press photographer to snap a picture of his expression of a new Mays saying.

KID LOVERS

When Councilman George Vico asked Carl Furllo, Sandy Koufax, Joe Pignatano, and Chuck Essegian whether they would appear at the Torrance Baseball Day Parade, which was a huge success yesterday, this corner thought that the answer would be a polite no. Since the advent of Little, Pony, and Babe Ruth Leagues, the demand for Dodger appearances has been great. To my astonishment the foursome all agreed to attend. My hat's off to George Vico and his great love for kids. In reality Vico should be called "the people's choice." He proved it to the thousands of kids yesterday.

Yankees Lead Riviera Little League With 3-2-1 Record

Harvey's Yankees with a 3-2-1 record lead the Riviera Little League followed by Griffin Tigers with 2-2-2; McCormick Orioles, 1-1-4; and Dad's Indians, Hi Shear Red Sox, and Paddock's White Sox all tied with 1-5. Home run hitters are Brian Grady, with 3; Steve Ledford, Steve Parker and John O. Wallace, each with 2. All are members of Defending Champion Tiger team. Lance Wenhan who led the minor league in 1959 with home runs is now a Major League Yankee. He has poled three homers. Griffin's Tigers tied McCor-

micks at 6-6. The game was called because of darkness. Grady, Muhonen and O'Keefe twirled for the Tigers and Ledford, Wallace, Paulsen and Deegan formed the battery for the Orioles.

Ledford hit a homer with the ball going into a car going north on Pacific Coast Highway while Fred Sealholm of the Orioles smacked a grand slammer.

Yankees blanked the Red Sox, 11 to 0. McMonigle, Boden and Van Husen formed the winners' battery and Lotz, Thompson and Vojtecky the Red Sox battery.

White Sox whipped the Indians, 2 to 0 with Sheppard and Trudell forming the victors' battery and Carbone and Pink the losers'.

Saxons Must Win One to Tie

ROLLS THURSDAY — Don Staudinger of Long Beach, 1959 URA champion, is all set for Thursday night's midget spin at Gardena stadium, Western Ave. and 139th St. The midget races opened at the local saucer last week.

Corbin Makes Clean Sweep at Gardena Midget Bowl

Lloyd Corbin, Anaheim speed merchant, drove his "Offy"-powered midget to a clean sweep at the season's opener at Gardena Stadium's one-third mile dirt oval Thursday night. Already having won the Trophy Dash and the fast heat, he went on to take the 30-lap main event in the time of 8:22.46.

His mount, the famous Gearhardt Offie, will be well remembered as the machine that carried the late Billy Vukovich and also 1952 Indianapolis winner Johnny Parsons to many hard fought victories in the past and is still going like Gang Busters. Corbin is one of Southern California's most promising throttle stompers in both midgets and sprint cars and he is expected to be right there at the front of the pack when the checkered flag comes down on the big 30-lap main event every Thursday night at the Gardena race plant.

Following Corbin across the finish line was Don Cameron of La Mirada and Dick Berry of Covina.

The 15-lap semi-main went to Chuck Lowery of Alhambra, followed by Grayson Harmon, La Mirada and Jim Devitt, Calimesa.

Dick Berry of Covina set fast time for the evening with 15:72. Approximately 2500 spectators saw Carlos Ramirez of San Diego take a spectacular flip in front

of the stands. He was treated for cuts and bruises and later released to his home.

The machine of Parnelli Jones of Torrance wasn't ready and he did not enter. Gail Van der Most of Long Beach was picked as Trophy Girl.

North Edges Redondo 5-4

North High just squeaked by Redondo 5 to 4 to stay in contention for the championship of the Bay League Thursday afternoon. All of the winners' runs were scored in the first frame and Coach Bob Shoup 'sweated it out' as he saw Hubert, Kehoe and Hogue stop Redondo just short of putting across the tying run in the last stanza.

North High has two more games left on the schedule and must win one of the two to at least tie for the league title. Leuzinger will be the guest hete Tuesday and then North High must travel to Marine Field to face Santa Monica on Thursday.

Should North High take the league crown it will be the first time in 14 years that a Torrance team has won a major league championship which is a Triple A ball laurel. South High copped the bunting last year in the Crescent league but that was Double A ball.

Shoup said that he would start his Ace Twirler Kehoe on the mound Tuesday against Leuzinger.

"But you can never tell in a ball game," he said, "what is going to happen. If we beat Leuzinger we will be 'up' for Santa Monica. Should we lose to Leuzinger we still will have a chance to tie by beating Santa Monica."

North High is on top of the heap with a 9-3 record followed by Santa Monica and Mira Costa, each with 8-4 records.

PRESS Sports

J. Mortenson Breaks Record in Optimist Club Track Meet

North High will get a new track start this fall when John Mortenson of Phillip Magruder elementary school enrolls.

In the recent 11th annual track meet sponsored by the Optimist Club and opened to all Torrance youngsters, Mortenson broke a four-year record in the 440-yard dash event.

Timed at 58.2 seconds, the run clipped 4.8 seconds off the existing record.

Young Mortenson is the envy of all his neighborhood playmates. Each day now will see him on the track to keep in shape for any future meets and to be in shape when he matriculates at North High.

FUTURE GREAT—John Mortenson has his eyes bent on winning track events in high school, after his stellar performance in the Optimist track meet. Mortenson broke a 440-yard event record.

Weheran in Five Hitter

Weheran pitched fine ball for South High Thursday and his mates chalked up 7 runs for him while he held Culver City to a lone for a 7-1 victory in a Pioneer League game.

Five hits were yielded by Weheran and he whiffed two batters. With the score knotted 1-1 in the sixth inning, his teammates burst out with five runs to put the game 'on ice.'

Game by innings:
South High 100 005-1
Culver City 000 100-0

More than 62,000,000 persons visited the National Parks during 1959, said the Automobile Club of Southern California.

BOWLER HITS 'SOUR APPLE' FOURTH TIME

Gerry Lloyd, who rolls in the Ladies' Wednesday Night Handicap League at Palos Verdes Bowl, holds the distinction of winning the 'sour apple' four times this season. She left the 5-7-10 pins standing in her last try.

Bowl owner Harry Sternfield has already presented her with three exclusive "sour apple" awards and is preparing for the fourth presentation.

50 Car Derby on at Gardena

Bob Goddard, Malibu, will be looking for main event win number four tonight at the Gardena Stadium, when he goes into battle in the 50 car Destruction Derby races at the Western Ave. stadium.

Goddard who has lost only one main event win this year, will be shooting to better his position in point standings, as he now holds down sixth position, behind such hot pilots as, Howard Walton, Hawthorne; Dite Wall, Los Angeles; Roger Hazer, Wilmington; Al Cooper, Paramount; and Don Donavin, Long Beach. All five will be out to stop Goddard in the main event.

Other pilots who will see action in the seven event program which begins at 8 p.m. include: Roy Malletta, Fullerton; Lamarr Anderson, Manhattan Beach; Jerry Dodds, El Monte; Orvil Allen, Monrovia; Harry Nobel, Long Beach; Johnny Foster, Torrance; and Jack Blevins, Wilmington.

As a special attraction for youngsters, several famous TV personalities will be on hand, including Dick Lane.

Neptune Days Carnival Set

Ten major rides and six children's rides will be featured as part of the 1960 Neptune Days Marinarama Carnival, according to Chamber of Commerce Co-Chairmen Blayne Asher and Gordon, McRae. "We believe that this year's carnival will hold more attraction than any other show we have presented," the co-chairmen said.

The carnival this year will be staged by the K-K Show of Shows. In addition to the 16 rides, the Show of Shows will present 30 concession booths on the Harbor Drive midway, June 17 through June 26.

Located between the Chamber of Commerce Office and the pier entrance will be two Ferris wheels, Octopus, Tilt-A-Whirl, Mix-Up, Fly-O-Plane and Barrel Spit Fire. The children's rides will include a coaster, rock and roll, live ponies, tanks, junior mix-up and toy cars.

Asher and McRae went on to explain that the show will be open 4 p.m. to 10 p.m. weekdays; 10 a.m. to 10 p.m. Saturdays; and 12 noon to 10 p.m. Sundays.

The 1960 Neptune Days Carnival will run for the full 10 days June 17-26 and is an integral part of the West's most complete water spectacular.

PIN PERFECTO MISSED BY 'WASHOUT'

Although Manuel Soto failed in getting a "perfecto" in the final game while rolling with the Tuesday's Men's 550 Trio at Palos Verdes Bowl, he had one consolation. He picked up a "washout" in the first frame. Then it was bang, bang, bang for the next 11 frames for 290 total.

Soto's initial fracas was a poor 150. He came back in the next two games with 212 in each. His grand total was 864.
